

IN THE TITLE

Please replace the title with the following:

--A METHOD OF MANUFACTURING AN INK JET RECORDING

HEAD--.

IN THE ABSTRACT

Please replace the Abstract with the following:

OK!
--A manufacturing method of an ink-jet recording head includes the following steps. An ink-repellent second active energy ray setting resin is coated over a first active energy ray setting resin for forming a liquid path. The first resin is set. Both resins are exposed, and both resins are developed.--

IN THE CLAIMS

Please amend Claims 1-6, to read as follows. A marked-up copy of those claims, showing the changes made thereto, is attached.

OK *Sub B17*
(Amended) A method of manufacturing an ink-jet recording head comprising the steps of:

preparing a base plate having an ink ejection pressure generating element;
